Business Game Expert

Media + Speaking

## ABOUT JEAN

Jean is a business game expert who uses games, decks and accountability to increase revenue and impact. Coaches and Consultants hire her to create games that have people lean in, increase engagement, referrals and results.

Jean is a brilliant business strategist who helps her clients create a personal game board of success. When they play their game, abundance happens.

When she is not playing with coach's successes, you can find her in Las Vegas in her pool playing with her dog, Razzle-Dazzle, or painting in her studio.
